

Florida
Water
Warrior
Prep

Where will the tour be?

- Camachee Cove Marine, dock A-19
- On the Florida Water Tours pontoon boat, the *Osprey*

Need to know vocabulary:

- Plankton
- Phytoplankton
- Zooplankton
- pH
- Salinity
- Turbidity
- Estuary
- Harmful Algae Bloom (HAB)

What will we test for?

pH level of the water

Water temperature

Salinity level of water

Visibility (Turbidity) of water

Plankton analysis

Tools we are going to use to test:

- Refractometer
- Secchi Disk
- Thermometer
- pH test kit
- Plankton tow
- Microscope
