Dear Friends and Guests,

Florida Water Warriors is a Florida 501c3 non-profit organization operated by dedicated staff and volunteers, with a mission to engage in a spirit of equitable education access by providing knowledge and opportunities to underserved students and community members in the Northeast Coastal Area of Florida.

Our vision is to play a part in the larger picture of conservation by fostering stewardship, and appreciation of our surrounding ecosystem, and emphasizing the individuals' responsibility to its protection. Florida Water Warriors takes our participants out onto the water and teaches them about conservation through experiential learning. The participants act as researchers, collecting data that we use to generate new insights in our field. All data is shared with NOAA, as well as educators across the state of Florida. Our crew has specialized knowledge and conducts hands-on activities that engage our participants and inspire them to make pro-environmental behavioral changes, through Community Science Tours, Educational Field Trips and Marine Science Summer Camps.

Since our beginning in 2020, we have taken 156 students from the underserved community out on the water for Marine Science Education at no cost! Our goal for this year is to raise \$10,000 to support our K-12 Eco-educational programs for the following year, which could bring 800 students out onto the water to our classroom without walls, without having to go through a financial hurdle! Educational equity is one of the most pressing issues in modern society. You can help us tackle the wealth and resources gap that provide obstacles to learning as well as educate future generations on a subject that will dictate the course of their own life, the state of our environment.

#### How Can You Help?

We are reaching out to ask you to consider supporting us in promoting our mission, vision and programs.

Our Dinner Fundraiser will take place on Monday, September 12, 2022 at the Northeast Florida Marlin Clubhouse at Camachee Cove Marina, St. Augustine, FL. The event will feature an assortment of appetizers and dinner by local Chef Sebastian Sikora, cash bar and silent auction, as well as live music featuring local musician Michael Jordan.

**SPONSOR / ADVERTISER / SILENT AUCTION DONOR**

Your support will not only demonstrate your dedication to our community, but will expand your customer base with the exposure of your business at our Dinner Fundraiser. Please consider the event sponsorship opportunities on the attached pages. We are in the process of collecting items for our silent auction as well. We would be honored for you to partner with us! If you have any questions, please do not hesitate to contact [flwwarriors@gmail.com](mailto:flwwarriors@gmail.com).

Sincerely,

Jessica Jadick  
Executive Director

### FWW Dinner Fundraiser Sponsor Levels
